"SECTION 242. IC 11-10-2-3 IS REPEALED [EFFECTIVE JANUARY 1, 2009]."

Page 249, between lines 33 and 34, begin a new paragraph and insert:

"SECTION 251. [EFFECTIVE JANUARY 1, 2009] (a) A county may not impose a property tax levy after December 31, 2008, for the county general fund to the extent that the levy is for the reimbursement of the department of correction under IC 11-10-2-3 or a related provision for the costs of keeping delinquent offenders.

(b) The obligation to pay the costs of keeping delinquent offenders (as defined in IC 11-8-1-9) (to the extent that the costs are for services delivered after December 31, 2008) is transferred from the counties to the state. The obligation transferred includes

the costs of using after December 31, 2008, an institution or a facility in Indiana for providing educational services that, before January 1, 2009, were chargeable to a county family and children's fund, a county office, or a county under IC 20-26-11-12, IC 20-26-11-13, and IC 20-33-2-29.

(c) The following definitions apply throughout this subsection:

(1) "Account" means an obligation of a county under IC 11-10-2-3 (before its repeal by this act) or another law to reimburse the state, including the department of correction, for the cost of keeping a delinquent offender before January 1, 2009.

(2) "Delinquent account" means an account that has not been paid to the state before six (6) months after the account is forwarded under this SECTION or IC 4-24-7-4 (before its amendment by this act).

All accounts accruing before January 1, 2009, and not previously forwarded to a county auditor, and any reconciliations for any period before January 1, 2009, shall be forwarded to the county auditor before March 16, 2009. Upon receipt of an account, the county auditor shall draw a warrant on the treasurer of the county for the payment of the account, which shall be paid from the funds of the county that were appropriated for the payment. The county council of each county shall annually appropriate sufficient funds to pay these accounts. The department of correction may reduce the amount of financial aid otherwise due to a county under IC 11-12-2 and offset the reduction against any part of the amount of a delinquent account due from the county.

(d) A county and the department of correction may enter into agreements to resolve any issues arising under this act concerning payments to vendors, payments to the county, payments to the state, collection of amounts due to a county or the state from a parent, guardian, or custodian, and other matters affected by this act. Notwithstanding this act, the agreement, if approved by the governor and the county fiscal body, governs the responsibilities of the state and the county.

(e) This SECTION applies notwithstanding any other law.

SECTION 252. [EFFECTIVE JULY 1, 2009] In addition to the amount appropriated to the department of correction in P.L.234-2007, there is appropriated to the department of correction a sufficient amount from the state general fund to replace the revenue lost to the department of correction, after December 31, 2008, and before July 1, 2009, for keeping delinquent offenders, as determined by the budget agency, from the repeal of IC 11-10-2-3 and related provisions by this act, beginning January 1, 2009, and ending June 30, 2009. The amount appropriated by this subsection shall be used for keeping delinquent offenders in the same manner as proceeds from counties would have been used."
